OPALIN

# OPALIN

## Versatile comfort for any trip

**HIGH PASSENGER CAPACITY** – The mid-sized OPALIN integrates many of the advantages of a larger tourism coach, including plenty of room for passengers and luggage.

**SUPERIOR MANOEUVRABILITY** – A relatively compact size and easy manoeuvrability make the OPALIN a versatile option. It easily adapts to city streets and short-distance tourism or school transportation.

**OPTIMISED COMFORT** – The OPALIN's integral body structure reduces the effects of vibration and sound, contributing to the vehicle's already high comfort levels.

Overhead luggage racks

Ample luggage capacity

### MAIN FEATURES

EEV, 85.2% recyclable, 99.7% recoverable
